

RHS Garden Hyde Hall Outing

Thursday 6th September 2018

The **Global Growth Garden at Hyde Hall** is an innovative recent development inspired by the Olympics of 2012. It is described as an edible garden where the horticultural and culinary delights of four continents come together encouraging us to expand the horizons of what we grow and eat. Greater detail can be found in the April edition of *RHS 'The Garden'* magazine pgs 44 – 48.

It adds to Hyde Hall's beautiful rose garden, dry garden and herbaceous borders an intriguing new vegetable garden that incorporates a variety of new vegetables from four corners of the World within a circular design. The design combines the more unusual with plants that visitors would recognise.

The website of RHS Hyde Hall also shows aspects of the main gardens which have developed greatly since I last visited there.

We have arranged a visit on the basis of the cost of travel only at £15.00 as RHS members and their guest will have free entry. Non RHS members will need to pay an additional amount of £9.50 for entry to Hyde Hall gardens but can of course accompany a friend obviating the additional charge. A tour of the garden will be included.

Tea/coffee and Lunch may be obtained in the Barn Restaurant or the Clover Café but you may bring your own picnic if you prefer.

Pick up will be from Lower Shott at 9.00 am, Fetcham Lover Road/The Ridgeway 9.05 am and Leatherhead Leret Way at 9.10 am. Please be there 10 minutes before. We should be returning later in the afternoon leaving Hyde Hall at 3.30pm. Journey time is about 2 hours.

Please reserve your place with Anne Glyn as usual as shown on the Booking Form below.
