

RHS Garden Hyde Hall Outing

Thursday 6th September 2018

The **Global Growth Garden at Hyde Hall** is an innovative recent development inspired by the Olympics of 2012. It adds to Hyde Hall's beautiful rose garden, dry garden and herbaceous borders an intriguing new vegetable garden that incorporates a variety of new vegetables from four corners of the World within a circular design. The design combines the more unusual with plants that visitors would recognise.

We have arranged a visit on the basis of the cost of travel only at £15.00 as RHS members and their guest will have free entry. Non RHS members will need to pay the additional amount of £9.50 on entry to Hyde Hall.

A tour of the garden will be included.

Tea/coffee and Lunch may be obtained in the Barn Restaurant or the Clover Café but you may bring your own picnic if you prefer.

Pick up will be from Lower Shott at 9.00 am returning later in the afternoon leaving Hyde Hall at 3.30pm. Journey time is about 2 hours.

Please reserve your place with Anne Glyn as usual.

Janet Canner
